HOMEOWNERS ASSOCIATION, INC.**

COVENANT AND RULE ENFORCEMENT POLICY

Effective Date: August 10, 2022

This policy is adopted to comply with the terms of the Colorado Common Interest Ownership Act ("CCIOA") which contains provisions that may conflict with the terms of the Association's governing documents. CCIOA and this policy will control over any conflicting provisions in the governing documents.

1. Enforcement Procedure. The Association will not impose fines, commence legal action, record a notice of violation, or exercise self-help for non-emergencies for violations of the governing documents until after the Association has followed the procedures set forth below.

Compliance with the procedures set forth below is not required for the following: late charges on delinquent assessments; self-help remedies as provided in the Declaration and this policy; and/or legal action for violations that threaten public safety or health.

2. Complaints. Any Owner may send the Association a written complaint by email or first-class mail, with as much information as is known of a covenant or rule violation. Complaints may also be initiated by the manager, any member of the Board or any committee. Complaints that cannot be independently verified by a Board member or the Association's manager must be in writing. The Association has no obligation to consider oral or anonymous complaints. The Board may determine whether a written complaint is justified before continuing with any enforcement action or the notice and hearing procedures.

3. Notice of Violation.

A. The Association will send a written notice of any asserted violation of any provisions of the governing documents to the Owner in accordance with this policy. The notice will describe: (i) the nature of the violation; (ii) the action or actions required to cure the violation; (iii) any fines that may be imposed; (iv) the right to request a hearing to contest the violation or possible fine, and (v) if a hearing is requested, a date by which such request must be received and a timeline for the hearing process ("Notice of Violation").

B. Notices from the Association will be sent in English; provided, however, that the Owner may send written notice to the Association with an alternate language preference. The Association will attempt to provide an accurate translation of the original English version, but due to nuances in translating to a foreign language, slight differences may exist.

C. An Owner may send written notice to the Association identifying another person to serve as a designated contact for the Owner for notices and correspondence. The Association will send the same written communications to the designated contact that it sends to the Owner. If the Owner wishes to change or cease the designated contact, the Owner must send the Association written notice.

D. For the purpose of this policy to comply with Colorado law, a notice is deemed received when sent by and according to the following timelines:

- i. Email or text – Upon successful transmission of electronic mail or text;
- ii. Certified Mail/First-Class Mail – 3 business days after deposit for delivery;
- iii. Posting – Upon physical posting at the Owner's Unit; or
- iv. Actual Notice – Upon hand-delivery.

4. Violations That Threaten Public Safety or Health.

A. If the Association reasonably determines that a violation threatens the public safety or health, the Association will send the Owner a written Notice of Violation informing the Owner that the Owner has 72 hours to cure the violation, or the Association may impose a fine.

The written notice may be sent by any of the following means: first-class mail; certified mail; email (if authorized by the Owner); or hand-delivery.

B. After 72 hours from receipt of notice, the Association will inspect the Unit and determine whether the violation has been cured. If the Owner has not cured the violation, the Association may impose fines on the Unit Owner every other day in accordance with the fine schedule below and/or commence legal action to enforce the governing documents and cure the violation.

5. Violations That Do Not Threaten Public Safety or Health.

A. If the Association reasonably determines that a violation occurred, other than a violation that threatens the public safety or health, the Association will send the Owner a Notice of Violation informing the Owner that the Owner has 30 days to cure the violation, or the Association, after conducting an inspection and determining that the violation has not been cured, may impose a fine. The Notice of Violation must be sent by certified mail, return receipt requested. The Association may send additional copies of the notice by first-class mail, email, text message to a cellular number that the Association has on file because the Owner has provided the number to the Association, and/or hand-delivery.

B. After 30 days, if the Association has not received notice from the Owner that the violation has been cured, the Association will inspect the Unit within 7 days of the initial 30-day cure period. After inspection, if the Association determines that the violation has not been cured, the Association may impose the fine stated in the Notice of Violation and will send a second Notice of Violation with a second 30-day cure period.

C. After the second 30-day cure period, if the Association has not received notice from the Owner that the violation has been cured, the Association will inspect the Unit within 7 days of the second 30-day cure period. After inspection, if the Association determines that the violation has not been cured, the Association may impose a second fine in accordance with fine schedule below, send additional notices and opportunity to cure, and/or commence legal action. The Association may not commence legal action until a second 30-day cure period has elapsed.

D. If an Owner cures the violation within the required cure period, the Owner may notify the Association in writing, including visual evidence that the violation has been corrected. If the Owner provides visual evidence of the cure, the violation will be deemed cured on the date the Owner sends the notice. If the Owner does not provide visual evidence of the cure, the Association will inspect the Unit as soon as practicable to determine if the violation has been cured. If the visual evidence provided is insufficient for the Association to determine if a violation has been cured, at the Association's sole discretion, the Association can provide notice to the Owner that it intends to inspect the Unit to verify the violation has been cured.

6. Additional Required Notices. If an Owner cures a violation, the Association will notify the Owner: (i) of any outstanding fine balance owed to the Association, and (ii) that the Owner will not be further fined with regard to the violation.

7. Request for Hearing. If an Owner desires a hearing to contest any alleged violation and possible fine or to discuss any mitigating circumstances, the Owner must request the hearing, in writing, prior to the deadline stated in the Notice of Violation. The request for hearing should describe the grounds and basis for challenging the alleged violation or the mitigating circumstances. If a timely request for a hearing is not made, the right to a hearing is deemed forever waived. If a hearing is not requested by the deadline, the hearing board will determine if there was a violation based upon the information available to it, and if so, assess a fine as set forth in the fine schedule upon expiration of any applicable cure

period(s).

8. Hearing Board to Conduct Hearing. The hearing board, which may be the Covenants Committee or Board of Directors, will hear and decide cases set for hearing pursuant to the procedures set forth in this policy. The hearing board may appoint an officer or other Owner to preside at any hearing.

9. Conflicts. Any Owner who desires a hearing will be afforded a fair and impartial fact-finding process by "impartial decision makers" (persons with authority to make a decision on a claimed covenant, rule, or architectural violation and without a direct personal or financial interest in the outcome of the hearing). Any decision-maker who is incapable of objective and disinterested consideration will disclose this to the presiding officer prior to the hearing, if possible. If advance notice is not possible, the disclosure will be made at the hearing, and the decision-maker will be disqualified from all proceedings related to the hearing. If disqualification of any decision-maker results in an even number of individuals eligible to hear a case, the presiding officer may appoint an Association Member, in good standing, to serve as a voting member of the hearing board.

10. Hearings. The Board will inform the Owner of the scheduled time, place, and date of the requested hearing by any of the following means: first-class mail; certified mail; email (if authorized by the Owner); or hand-delivery. Hearings may be conducted during or subsequent to any applicable cure period(s). The presiding officer may grant continuances for good cause. At the beginning of each hearing, the presiding officer will explain the rules, procedures, and guidelines by which the hearing will be conducted. The complaining parties and the Owner will have the right, but not the obligation, to attend the hearing. Each party may present evidence, testimony, and witnesses. The decision will be based on the matters set forth in the notice of alleged violation, request for hearing, and evidence as may be presented at the hearing. Unless otherwise requested by the Owner, all hearings will be conducted during executive session. If a complaining party is unable to attend the hearing, the complainant may submit a letter to the hearing board explaining the basis of the complaint.

11. Decision. After all testimony and other evidence has been presented to the hearing board, it will render its written findings and decision, and impose a fine, if applicable, upon expiration of any applicable cure period(s). A decision, either a finding for or against the Owner, will be by a majority vote of the hearing board. If the hearing board is other than the Board of Directors, the Owner may appeal the decision of the hearing board to the Board of Directors by delivering written notice of appeal to the Association's manager, President or secretary within 10 days of the hearing date.

12. Fine Schedule.

A. Limitation on Fines. With the exception of violations that threaten public safety or health, CCIOA provides that the total amount of fines imposed for each violation of the governing documents may not exceed \$500. In accordance with limitations set forth in CCIOA, the Association has adopted the following schedule of fines. These fines supersede and replace any existing fines greater than \$500 adopted prior to the date of this policy.

B. General Fine Schedule.

Unless otherwise specified in the governing documents, the following fines may be imposed for each violation of the governing documents occurring within a one-year period:

First violation:	Courtesy Notice Letter
Second violation:	\$250
Third violation:	\$250

A courtesy letter will be sent out via Certified Mail, (return registered receipt) for a period of 14 days. Following non-compliance of the courtesy letter, Notices of Violation with fines may be sent pursuant to Sections 5 (A) and 5(C) above, each imposing a \$250.00 fine, or such other fine amount as the Board deems appropriate to induce compliance. A Notice of Violation may be sent for any first

violation. Additional or subsequent violations of the same provision occurring within one year from the date of the first Notice of Violation will be considered repeat or recurring violations, subject to additional fines as set forth above. After the one-year period, any subsequent occurrence of the same violation will be treated as a new first violation.

C. Continuing Violation Fine Schedule.

For any violation that does not threaten public safety or health and is continuing in nature, the Association may impose fines in accordance with the general fine schedule or the Association may impose fines on a weekly or monthly basis in the amount of \$50.00 per week or \$250.00 per month up to a maximum of \$500.00. The Association may impose a fine every other day in the amount of \$25.00 for violations that threaten public safety or health until the violation is cured.

For purposes of this policy, a violation is considered "continuing in nature" if the violation is uninterrupted by time or, by the nature of the violation, it occurs at such frequency to create a continuous pattern of occurrence. Examples of continuing violations include unsightly yard, unauthorized improvements, parking an unauthorized vehicle in the community on a nightly or other regular basis, etc.

The total amount of fines will not exceed \$500 for each violation of the same covenant, restriction, rule, or regulation. However, the Association reserves the right to impose fines greater than \$500 for violations that threaten public safety or health.

13. Additional Enforcement Rights.

A. Self-help Remedies. The Association or its duly authorized agent has the authority to enter Unit to abate or remove, using such force as may be reasonably necessary, any structure, thing, or condition that violates the governing documents to avoid potential injury or damage or unreasonable inconvenience to other persons or their property. Examples include towing of vehicles parked in violation of the parking rules. Provided, however, the Association will not enter a residence without first providing 10 days written notice to the Owner. All costs of self-help will be assessed against and be a lien on the Owner's Unit.

B. Suspension of Rights to Use the Common Areas. An Owner's right to use the Common Areas will be automatically suspended if the Owner is more than 60 days delinquent in payment of assessments.

C. Suspension of Right to Vote. An Owner's right to vote will be automatically suspended if the Owner is more than 60 days delinquent in payment of any assessment, fee, or other charge.

D. Internet Services. Internet services will be terminated if the Owner is more than 60 days delinquent in payment of any assessment, fee, or other charge.

E. Legal Action. The Association may pursue legal action for violations that threaten public safety or health without a hearing, if the Board determines that such action is in the Association's best interests.

F. Notice of Covenant Violation. The Association may file a notice of covenant lien against any Lot that is in violation of the Association's governing documents with the Jefferson County Clerk and Recorder's Office.

14. Failure to Enforce. The Association's failure to enforce the governing documents is not a waiver of the right to enforce for any subsequent violations.

15. Administrative Expenses. Enforcement costs, imposed by the Association or its managing agent, related to covenant and rule enforcement will be the obligation of the Owner and may be posted to the Owner's account. Examples include but are not limited to, certified mailings or costs to translate a notice

charges, late charges, return check charges, attorney's fees, and/or costs as described and imposed by this policy.

This Collection Policy was adopted by the Board of Directors this 15 day of August, 2022.
